Dear Malcolm In response to your request for feedback on the housesitter that looked after my house AND cat whilst I was catching big snapper at Shark Bay I can only say that I was delighted with the person who lived at my house and with the friendly and easy manner with which we communicated. The organisation from your end was excellent because of the simplicity of the process. The reply to my ad was almost instantaneous and I had a choice .I look forward to your organisation having a long and prosperous life as I intend to use you again in the future. Thank you for providing the service and if there are any specific questions you would like answered I shall be only too happy to oblige Bill James
