MalcolmM,

Our first sit was a great experience. It went well (as expected), but it was definitely a learning experience. We saved a bunch of money. I also learnt how NOT to approach a house trained parrot! (I still have the scar!) We also had a number of conflicting issues with the house owners internet service, but we got those sorted quickly.

I cannot believe how easy it is to arrange sits. We'll be house sitting as a way of life for the next 10 years, in 30 countries.

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money? Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards
