Hi Malcolm,

We are still on our first house sit - originally for 3 months but extended to 4. We are looking after a greyhound and border collie x. They are really easy to get on with and as we have a teacup poodle we were a bit worried about the greyhound. Wrong! He is the most laid back and gentle dog and it is great fun taking them to the leash free park and watching the poodle chase the greyhound! The house owner is a lovely lady whose mother lives close by. We are in touch with the owner by email and phone and also see the mother often. We leave here in 3 weeks to go to another "Happy House Sitters" sit, and altho' we will be sad to say goodbye to the boys, we look forward to another experience. Regards, Teena & Ian

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money?

Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards

Malcolm Myers
