Hi

Through Happy Housesitters we were able to first housesit in WA for 3 weeks, the houseowners were regular users of housesitters and were very pleased with the results.

While in WA, we also met up with owners who had contacted us by phone and who lived not far from where we were already housesitting. We had a few meetings and organised to housesit for 7 weeks this year. These people were leaving us their car, pushbikes, internet, a winter's supply of chopped wood for the lovely open fire and neighbours who would fill in for us if we needed a couple of days away. They also urged us to come and stay with them anytime we were in WA and needed somewhere to stay. Unfortunately through illness we weren't able to housesit for them this time, but we will definitely catch up with them on our next visit to WA, such lovely, generous people.

It's a wonderful way to see the country, save money and make new friends. I often tell my friends and acquaintances to try it.

Thanks,

Cilla

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money?

Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards

Malcolm Myers
