Hi Malcolm,

So far I am currently on my first house sit through your site and it has been a great experience for the most part, the house is lovely and in a great spot, I just haven't had much sleep for two reasons, one being that I have been enjoying foxtel a little too much and staying up way too late watching animal planet, the other being the 2 spoilt rotten dogs I am looking after that seem intent on waking me up early every morning, but this gives me a chance to get up and enjoy the area and take the little ones for a walk, I did have 2 other places lined up for once I finish up at my current house sit but I knocked them back for various reasons. I look forward to my next house sit and all in all the experience I have had with Happy House Sitters has been a great one.

Regards,

Kathryn

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money?  
Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards

Malcolm Myers
