Hi Malcolm

We've only done one house sit through Happy House Sitters so far, and it was a wonderful experience. We looked after three cute little dogs plus the garden. The owners were lovely people and we immediately felt comfortable with them. We forged a friendship with them and have been in email contact a few times. Given the right opportunity, we would happily house-sit again.

Regards

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money?

Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards

Malcolm Myers
