I have only been with Happy House Sitters for a short time and have already secured a month's house sitting and I'm awaiting replies from two other respondents.

The best thing about this website is, for the majority, you actually get responses whether you are applicable or not rather than wondering whether to apply for another housesit.

My previous experiences of housesitting have not been with this website, but I am looking forward to exercising daily with two little canine girls with big personalities and would be happy to update you on that experience once completed.

Thank you for the interest shown in my short history with your firm.

Regards

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money? Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards
