Hi Malcolm - We've had a great run with happyhousesitters.com, and are so glad we decided to try housesitting while our own house is being built. We've had almost continuous housesits for the last 8 months, and met many great families, plants, cats, dogs and goldfish to look after! It's been a great way to experience new neighbourhoods and pets, plus we've saved heaps on renting that we can put towards our house when it's complete. Thanks for running a professional website that really works for housesitting, we've already recommended several friends your way!

Regards, Tim & Tina

Hi

I'm writing to you to get some feedback on your house sitting experiences. Would you like to write a few sentences or so about the sits you have had through Happy House Sitters? Have you saved some money?

Have you had an unusual experience? Have you cared for some unusual or especially wonderful animals? Have you made friends with the home owner?

We would love to hear about your experiences and put them on the site for others to read.

Looking forward to hearing from you. Please send your story via return email.

Kind Regards

Malcolm Myers
