Dear Happy House Sitters

I just wanted to drop you a quick note to let you know about my house sitting experiences.

As a Happy House Sitter I enjoy being able to meet people and travel to different locations. Being a house sitter is also a great way to save money as you know. Most times the home owner I am house sitting for are happy for me to entertain friends and family in their home. I like to introduce my friends first to the home owner. Some times I keep in contact with the home owners. Other times its strictly professional. In all its a good experience.

Thanks for everything

Regards Jamie
