Mr Malcolm MYERS,  
Happy House Sitters.

Dear Malcolm,

Just a quick note to let you know that a couple whose house I sat for three months last year have just contacted me, asking that I look after their place again – this time for six months.

As it's on the Gold Coast and means I'll miss a Melbourne winter, I think it's fair to say I'm ecstatic. Thanks to Happy House Sitters.

Yours sincerely,

Peter W
