I wanted to let you know that my experience in employing a house sitter was very positive. The house sitter looked after our house last year while we had a holiday.

It was a wonderful solution for us as we needed to know that our house was safe and that our aging Golden Retriever was kept happy. He looked after our home beautifully and was particularly kind to the dog, keeping to her usual routine of walks and food. He did everything that was necessary when she became ill and kept us informed of her progress all the time.
