Dear Malcolm,

As promised I am sending you an email about the person who was our housesitter while we were in Europe.

I would like to tell you that Ann B [REDACTED] was a wonderful house sitter, everything was in tip top condition when we arrived home. Roger our cat was very well looked after and in fact he spent the first few days after Ann left looking for her. I would highly recommend her to anyone looking for a reliable and trustworthy person to 'sit' their home.

I only hope that if we ever require a housesitter again we could find someone like Ann.

Thank you.

Kind regards.
