Dear Happy Housesitters

I placed an ad on your website 2 weeks ago, had 4 very quick replies and have now agreed a house sitting arrangement with one of your members Nigel & Beth M [REDACTED]. I would be grateful if you could either delete my ad for me or let me know how to do it (the ad was regarding a 4 bedroom beach house in Harbord, NSW with 2 puppies Charlie & Skye).

Many thanks for your service -I would definitely recommend it to my friends.

Regards

Fiona B [REDACTED]
