Hi

just wanted to let you know that following an advertisement on your website we have successfully secured and trialed our housesitters and are thrilled with the outcome. The girls 'sat' for us over the Easter break and are about to do a further sit for 10 months starting in July when we will go on our overseas trip. My husband and I as well as our animals are thrilled with the outcome. Thank you Happy House Sitters.

Sincerely

Elaine & Damian [redacted]
