Dear Malcolm

We have decided to return to Canberra at the end of our current housesit. We are currently indicating that we will be available from 4 August 2006. We have really appreciated your service over the last couple of years. We have enjoyed the experience of house sitting and will continue our membership in one way shape or form when it next expires. However it will be in order to take some holidays in a place that we want to visit.

All up we have looked after 11 houses of all shapes and sizes over the 27 months that we have been in Sydney. Each one had its own endearing characteristics and we will treasure the times that we have had as well as the friendships established and sustained and the beautiful animals that it was our privilege to care for.

Thanks for making it happen. We will of course continue to let people know about the great experience that house sitting can be, not to mention the free accommodation.

Perhaps you could advise on how we can maintain our membership and access to the site for the casual sits that we will be looking for in the future.

Thanks again for your terrific service and response to our requests for changes and updates.

Warmest regards
Ian
