Dear Friends at Happy House Sitters:

Thank you for the opportunity to housesit while we visited Australia in 2007 and 08. We had an enjoyable experience and look forward to doing it again on a return trip.

We realize that our membership expires shortly. I am not sure when we will return, but we will re-up before we do.

The home that we "sat" was comfortable and the dog was adorable. The family was dear and they offered to provide us with references our next time around.

Thank you again,
George and Patricia [redacted]
