Subject: Re: Your account is about to expire

Thank you for the service Happy House sitters has given us. Through you we were able to travel around Australia and meet some wonderful people and their pets. We now have a file of tremendous references from house owners that we are sure will stand us in good stead should we choose to repeat this experience again. We have also made some lasting friendships not only with the house owners but also their neighbours and we did accept invitations to BBQs before we returned to the UK.

We have been recommending your services to other house owners who we have met whilst out walking the dogs in Australia. At times it was hectic trying to get from one sit to another, especially the swap over from Melbourne to Sydney in 12 hours. Thank you once again for your service which we will definitely use again if we repeat this exercise.

Regards

Peter and Janet U [redacted]
