

Happy House Sitters

To: Happy House Sitters
Subject: Request to suspend membership

Hi there

I've been having a great time house sitting since September and would recommend you guys to anyone!!

I'm heading off travelling overseas now though for quite a while so would like to suspend my membership for the moment.

Is there anything I need to do to make that happen other than request it here?

Cheers

- it's been a great service -

Jane
