Re: Reference for Harel Melamed & Mazal-Tov Ben Ayoun

To whom it may concern,

I would like to recommend Harel and Mazal as excellent house and pet minders.

Harel and Mazal have minded our house and family dog in Carnegie, Melbourne, from 25<sup>th</sup> May till 24<sup>th</sup> June 2018. In all our interactions prior to commencement of their stay, Harel and Mazal were very responsive, punctual and polite. During their stay, they have been independent and resourceful in handling house issues and have informed us of anything of importance.

Upon our return, Harel and Mazal have left the property very well maintained. The house was clean and tidy and they have left a note with small matters such as where they left the mail. The dog was walked daily, had plenty of food and water and seemed happy and in good health.

We have previously used the services of other house minders on different occasions and find Harel and Mazal to be better than any other in minding our house and dog.

Yours faithfully,

Dr. Michal Milgrom Hoffman
