PET SITTING REFERENCE- for Harel Melamed & Mazal-Tov Ben Ayoun

I highly recommend **Mazal and Harel** to act as your House & Pet Sitter.

They stayed at my house and looked after "Salty", my 9 year old Golden Retriever, **for 2 weeks in July 2018.**

Prior to their stay, they visited us to meet Salty and discuss our requirements for looking after both our dog and house.

They asked the right questions and diligently followed my instructions throughout.

They arrived punctually and immediately ensured that they befriended Salty, who can be wary around strangers.

Throughout their stay, they walked, feed and kept Salty company and even sent a couple of updates via SMS to ease our minds.

At the conclusion of their stay, the house was left very clean and I could tell Salty had enjoyed their company.

I am happy for you to contact me directly if you have any specific questions,
