Hello

Lyse did some house sitting for me and my husband Ally on several occasions.

We own a one acre lifestyle property in Canterbury in the South Island of New Zealand.

I am an avid gardener so there is a lot of garden to be watered and watched over while we are away. We also have ducks, geese and sheep and a little dog called Milla.

We usually go away for several weeks at a time and Lyse took over things for us on each occasion. It was a huge relief to know that we could just leave and our place would be in safe and caring hands.

We never had any problems while we were away and if challenging stuff came up, as it did, a couple of times, Lyse was able to sort things out and keep everything on track.

We have no hesitation in recommending her for any house sitting position. She is a trustworthy and kind person who I am certain would take great care of your home and pets.

In fact we feel that you would be very fortunate to have her in your home while you are away.

Yours Sincerely

Leona Taylor
