

Lyse Lauren Reference. July 2017.

To whom it may concern.

RE: LYSE LAUREN.

Lyse Lauren housesat for us over a few weeks during April/May of this year. Our Husky Sura was really well looked after by her during this time and was taken for lots of long walks every day.

Sura really loved her company and Lyse was able to be with her a lot each day which was something that really suited our requirements.

Lyse also kept in contact with us while we were away to let us know all was going great at home.

We have an attached unit where she stayed during this time and it was left very clean and neat.

I could definitely recommend Lyse as a housesitter.
