To Whom it May Concern

It gives me great pleasure to write a reference for Lyse Lauren.

I have known Lyse for almost 20 years, initially as an employee and then as a friend.

Lyse worked for me for two years as a general house help, both live in and live out. She was helpful, honest, competent and reliable. She brings maturity and life experience to her work and uses her own initiative when required. She relates to people of all ages and backgrounds and was a great support to me and my family.

I recommend Lyse highly both on a personal and professional level.

Please contact me if you wish to ask any further questions.

Yours Sincerely
Jennifer Symonds
