I am looking for a mature person to house and pet sit in Caulfield from January 16 to February 12 or 13.

The sit would be in a suburban house with a small garden. We would require the person to look after the house and a most importantly walk our terrier twice a day. We also require that the person to be at home most of the time as our dog us used to have someone around.

Looking forward to hearing from applicants.

December 18th to 30th, 2009. Cromer, on the Northern Beaches, next to Dee Why. 1/2 block walk to Dee Why/Warringah Mall/City bus.

Short drive to beaches. 2 off-street parking places as well as plenty of on-street parking. Sunny, bright, compact house, 4 bedrooms, lovely secure outside area, 2 beautiful indoor small dogs who love human company, lively and energetic, love socialising with other dogs. I would like someone to stay here to mainly look after the dogs, collect mail and enjoy the proximity to the Beaches.

Prahran, right near Chapel Street and High Street.

Dates are a bit random as we are flying back and forth from Melbourne a few times. Would need a sitter from the 26th December to 10 January, then from the 12th January to the 12 February and then again from the 15th February to the 16th April.

We have a 2 bedroom, 2 storey flat.

There are balconies and a couple of pot plants.

We have two spoilt and very affectionate cats who need proper companionship.

We would expect the sitter to be there for the cats, water the plants occasionally and collect the mail. We have wi-fi hooked up so if you bring a wi-fi enabled laptop you can use the internet but we would like the internet bill (\$50p/m), and utilities paid for the period. We would need to work out some arrangement for the purchasing of cat food as we are away for an extended period.

House sitter required for four-bedroom home and very spoiled cat from 13 December 2009 to 25 January 2010. Cat requires continued spoiling. Large deck for warm summer evenings. No lawn to mow, but if you come across a rogue weed in the front garden, seek and destroy. House is low-maintenance but basic house-cleaning expected, plus emptying letterbox each day. House is in new estate with leisure centre, complete with gym, three pools and outdoor spa.

I live in Daveren Park S.A in a clean tidy 2 bedroom unit. I have a three year old shitzu female dog who will need to be fed and walked and made a fuss off. She sleeps inside in the laundry. She has a backyard that she loves to run around in during the day. She is very well behaved. Also would like my mail to be collected and front and back gardens to be watered their are water restrictions here, watering is Wednesdays and Sunday. Someone who likes gardening. I am near Munno Para and Elizabeth Shopping Centres. I am looking for an older person preferably female and a non smoker. I am not sure of the dates yet but I will know soon so it should be between November and March for about 6 week. These dates my be changed so I will let you know if they do.

We have a 3 bedroom house in Banks (ACT), we are looking for a housesitter from 1<sup>st</sup> feb to 1st March, the garden is low maintence we are not green thumbs, we have 2 dogs (15 mth old Samoyed and 4 1/2 yr old maltese/shitzu) 2 cats, a frog and a marine fish tank, just really looking for someone to take care of the pets the house can look after itself for 2 weeks pretty much just collect mail etc. We have foxtel, dishwasher, etc

Padbury WA. 20 min north of Perth CBD, 5 min away from Hillarys marina, in the middle of suburbia.

We need a house sitter from the 5<sup>th</sup>/6<sup>th</sup> Jan to the 25<sup>th</sup> March (waiting for flights to be confirmed). We are looking for someone to take care of our 2 dogs, who need walking and feeding twice a day. Mail collection and some watering of garden also required. Prefer a mature non-smoker(s).

In return we offer a 3 bedroom house with pool, large plasma, broadband and undercover parking. Space available for caravan if needed.

The dogs are inside dogs and are quite spoilt. One is German short haired pointer male, the other is a mixed breed rescued female who needs special care. She can be wary of tall males with deep voices. The male may need some medication for allergies, but all will be provided and explained.
